Join us in Sydney, Australia, 7-14 July 2024 for the world's most important and influential event for mathematics educators: learn, share, and make connections in person for the first time since 2016.
ICME-15 will be an inclusive event where people who are passionate about mathematics and statistics education can come together to connect with like-minded colleagues from around the globe and create lasting local, regional, and global legacies in our field.

We can't wait to see you in Sydney in 2024 - come and be counted!

Kim Beswick
ICME-15 Convenor; Chair, International Program Committee

Acknowledgement of Country
We acknowledge the Traditional Owners of the lands and waters throughout Australia, and pay respect to the Elders past, present and emerging.
